Please note that the following targets are voluntary and self-administered, and something novice handlers can strive to achieve before entering a field trial.

The purpose of these targets is to get novice handlers to read the J Regulations to gain a basic understanding of the rules of the competition they propose to enter. This will also encourage handlers to take a dog out on a proper shooting day instead of just relying on a few training days, which may give a false impression of their dog's ability and suitability for field trials.

**The handler:**

- Attends a Kennel Club seminar on J Regulations
- Helps at a Kennel Club licensed field trial on three separate occasions
- Helps on an organised shoot as a picker up for a minimum of one season

**The dog:**

- Has worked on an organised shoot as a picking up dog for a minimum of one season before being entered in a field trial (training days do **not** qualify)
- Has no recurring eliminating faults and has had sufficient experience on live game before being entered into a field trial

The Kennel Club recommends that these targets are achieved before entering a licensed field trial

Open

A Stake in which dogs have the opportunity of gaining a qualification towards the title of Field Trial Champion (K Regulations refer) and towards entry in the Championship or Champion Stake for its breed; in which entry is open to all dogs of a specified breed or breeds except that such Stakes may not be confined to Any Variety Spaniel [except Spaniel (Cocker) and Spaniel (English Springer)]. It may be limited to a prescribed number of runners (J4 refers), in which case these shall be decided by a draw conducted in accordance with Regulation J7.1. so that preference is given to previous performance.

Novice

Retrievers, Spaniels and Breeds which Hunt, Point and Retrieve: A Stake which is confined to dogs which have not gained a place which would qualify them for first preference in the draw for Open Stakes.
